

Parish Meeting - 27 March 2018

During discussions at the meeting, the siting of the new bench, provided by the Events Committee, was discussed.

Respecting the views of the residents expressed at the previous meeting, 3 positions were discussed. The first position on the Left hand side over looking the Boules court and over Beverly Road, was discounted as residents might be overlooked, on the Right hand side over looking the Boules court and over the recreation ground was discounted as the position of the bench would be too low because of the undulation of the land. The position bottom right hand corner was thought to be the best position facing the Boules court. This was agreed by the Council, and it was agreed to publish this on the parish website with a diagram showing the position, to be signed off at the April 2018 meeting.
